**We moved and expanded our hours in Moore County**

**RPK Center has opened an office at 110 Turner Street in Southern Pines. The office is open Monday thru Friday from 8am to 430pm.**

**RPK Center has been a part of the Fayetteville medical community since 2003 and opened a part time satellite in Moore County in 2019. Because of the success of that venture, Dr. Kishbaugh has opened a full-time office in Southern Pines.**

**The Southern Pines office currently focuses on medical management of acute and chronic pain conditions. Interventional spinal procedures and electrodiagnostic studies will also be provided at a later date.**

**The office is staffed by Andrea Kishbaugh, FNP-C and David Kishbaugh, D.O.**

**Appointments are available by referral only.**
